A Hundred Suns-Karin Tanabe 2020-04-07 Named A Best Book of Spring 2020 by Real Simple · Parade · PopSugar · New York Post · Entertainment Weekly · Betches · CrimeReads · BookBub "A transporting historical novel, and a smart thriller."— Washington Post "A luscious setting combined with a sinister, sizzling plot." -EW A faraway land. A family's dynasty. A trail of secrets that could shatter their glamorous lifestyle. On a humid afternoon in 1933, American Jessie Lesage steps off a boat from Paris and onto the shores of Vietnam. Accompanying her French husband Victor, an heir to the Michelin rubber fortune, she's certain that their new life is full of promise, for while the rest of the world is sinking into economic depression, Indochine is gold for the Michelins. Jessie knows that the vast plantations near Saigon are the key to the family's prosperity, and though they have recently been marred in scandal, she needs them to succeed for her husband's sake—and to ensure that the life she left behind in America stays buried in the past. Jessie dives into the glamorous colonial world, where money is king and morals are brushed aside, and meets Marcelle de Fabry, a spellbinding expat with a wealthy Indochinese lover, the silk tycoon Khoi Nguyen. Descending on Jessie's world like a hurricane, Marcelle proves to be an exuberant guide to colonial life. But hidden beneath her vivacious exterior is a fierce desire to put the colony back in the hands of its people—starting with the Michelin plantations. It doesn't take long for the sun-drenched days and champagne-soaked nights to catch up with Jessie. With an increasingly fractured mind, her affection for Indochine falters. And as a fiery political struggle builds around her, Jessie begins to wonder what's real in a friendship that she suspects may be nothing but a house of cards. Motivated by love, driven by ambition, and seeking self-preservation at all costs, Jessie and Marcelle each toe the line between friend and foe, ethics and excess. Cast against the stylish backdrop of 1920s Paris and 1930s Indochine, in a time and place defined by contrasts and convictions, Karin Tanabe's *A Hundred Suns* is historical fiction at its lush, suspenseful best.

The Beauty in Breaking-Michele Harper 2021-06-29 A NEW YORK TIMES BESTSELLER A New York Times Notable Book LOS ANGELES TIMES BOOK CLUB PICK "Riveting, heartbreaking, sometimes difficult, always inspiring." --The New York Times Book Review As seen/heard on Fresh Air, The Daily Show with Trevor Noah, NBC Nightly News, MSNBC, Weekend Edition, and more An emergency room physician explores how a life of service to others taught her how to heal herself. Michele Harper is a female, African American emergency room physician in a profession that is overwhelmingly male and white. Brought up in Washington, D.C., in a complicated family, she went to Harvard, where she met her husband. They stayed together through medical school until two months before she was scheduled to join the staff of a hospital in central Philadelphia, when he told her he couldn't move with her. Her marriage at an end, Harper began her new life in a new city, in a new job, as a newly single woman. In the ensuing years, as Harper learned to become an effective ER physician, bringing insight and empathy to every patient encounter, she came to understand that each of us is broken--physically, emotionally, psychically. How we recognize those breaks, how we try to mend them, and where we go from there are all crucial parts of the healing process. The Beauty in Breaking is the poignant true story of Harper's journey toward self-healing. Each of the patients Harper writes about taught her something important about recuperation and recovery. How to let go of fear even when the future is murky: How to tell the truth when it's simpler to overlook it. How to understand that compassion isn't the same as justice. As she shines a light on the systemic disenfranchisement of the patients she treats as they struggle to maintain their health and dignity, Harper comes to understand the importance of allowing ourselves to make peace with the past as we draw support from the present. In this hopeful, moving, and beautiful book, she passes along the precious, necessary lessons that she has learned as a daughter, a woman, and a physician.

The Nest-Cynthia D'Aprix Sweeney 2016-03-22 A warm, funny and acutely perceptive debut novel about four adult siblings and the fate of the shared inheritance that has shaped their choices and their lives. Every family has its problems. But even among the most troubled, the Plumb family stands out as spectacularly dysfunctional. Years of simmering tensions finally reach a breaking point on an unseasonably cold afternoon in New York City as Melody, Beatrice, and Jack Plumb gather to confront their charismatic and reckless older brother, Leo, freshly released from rehab. Months earlier, an inebriated Leo got behind the wheel of a car with a nineteen-year-old waitress as his passenger. The ensuing accident has endangered the Plumbs' joint trust fund, "The Nest," which they are months away from finally receiving. Meant by their deceased father to be a modest mid-life supplement, the Plumb siblings have watched *The Nest's* value soar along with the stock market and have been counting on the money to solve a number of self-inflicted problems. Melody, a wife and mother in an upscale suburb, has an unwieldy mortgage and looming college tuition for her twin teenage daughters. Jack, an antiques dealer, has secretly borrowed against the beach cottage he shares with his husband, Walker, to keep his store open. And Bea, a once-promising short-story writer, just can't seem to finish her overdue novel. Can Leo rescue his siblings and, by extension, the people they love? Or will everyone need to reimagine the futures they've envisioned? Brought together as never before, Leo, Melody, Jack, and Beatrice must grapple with old resentments, present-day truths, and the significant emotional and financial toll of the accident, as well as finally

acknowledge the choices they have made in their own lives. This is a story about the power of family, the possibilities of friendship, the ways we depend upon one another and the ways we let one another down. In this tender, entertaining, and deftly written debut, Cynthia D'Aprix Sweeney brings a remarkable cast of characters to life to illuminate what money does to relationships, what happens to our ambitions over the course of time, and the fraught yet unbreakable ties we share with those we love.

Who Cares Wins-Lily Cole 2020-07-30 "It's a positive, useful book - how to make choices. We need to get governments on board. I wish Lily was world controller" -- Vivienne Westwood, fashion designer and founder of Vivienne Westwood Ltd. Optimism demands action. Optimism is an active choice. Optimism is not naïve and it is not impossible. Many people perceive this to be a moment of despair. Global warming has reached terrifying heights of severity, human expansion has caused the extinction of countless species and neoliberalism has led to a destructive divide in wealth and a polarization of mainstream politics. But, there are constructive ways to meet these challenges, and there are plenty of reasons for optimism. Lily Cole has met with some of the millions of people around the world who are working on solutions to our biggest challenges and are committed to creating a more sustainable and peaceful future for humanity. Exploring issues from fast fashion to fast food and renewable energy to gender equality, and embracing debate, the book features interviews with diverse voices from entrepreneurs Stella McCartney and Elon Musk, to activists Extinction Rebellion co-founder Dr Gail Bradbrook and Farhana Yamin, to offer a beacon of possibility in challenging times. *Who Cares Wins* is a rousing call to action that will leave you feeling hopeful that we can make a difference. We are the ancestors of our future: a generation that will either be celebrated for its activism or blamed for its apathy. It is for us to choose optimism, to make changes and to create the future we want.
