**And Yet...**-Christopher Hitchens 2015-11-24 The seminal, uncollected essays—lauded as “dazzling” (The New York Times Book Review)—by the late Christopher Hitchens, author of the #1 New York Times bestseller *God Is Not Great*, showcase the notorious contrarian’s genius for rhetoric and his sharp rebukes to tyrants and the ill-informed everywhere. For more than forty years, Christopher Hitchens delivered essays to numerous publications on both sides of the Atlantic that were astonishingly wide-ranging and provocative. His death in December 2011 from esophageal cancer prematurely silenced a voice that was among the most admired of contemporary voices—writers, readers, pundits and critics the world over mourned his loss. At the time of his death, Hitchens left nearly 250,000 words of essays not yet published in book form. “Another great book of essays from a writer who we wish were still alive to produce more copy” (National Review), *And Yet...* ranges from the literary to the political and is a banquet of entertaining and instructive delights, including essays on Orwell, Lermontov, Chesterton, Fleming, Naipaul, Rushdie, Orhan Pamuk, and Dickens, among others, as well as his laugh-out-loud self-mocking “makeover.” The range and quality of Hitchens’s essays transcend the particular occasions for which they were originally written, yielding “a bounty of famous scalps, thunder-blasted targets, and a few love letters from the notorious provocateur-in-chief’s erudite and scathing assessments of American culture” (Vanity Fair). Often prescient, always pugnacious, formidably learned, Hitchens was a polemicist for the ages. With this posthumous volume, he remains, “America’s foremost rhetorical pugilist” (The Village Voice).

**Cultural Zoo**-Salman Akhtar 2018-04-17 'This book is a major contribution to culture and to the psychoanalytic literature. The authors explore how animals, both wild and domesticated, have powerful symbolic meanings in our psyches, mythology, religion, literature, art, music, and popular culture. From the prehistoric art of Lascaux to Picasso, from *The Fly* to the American eagle, the psychoanalytic perceptions are subtle and suggestive, the aesthetic, film, and national insights are a delight.'-Peter Loewenberg, Dean, Southern California Psychoanalytic Institute, Professor of History and Political Psychology, UCLA'Our cousins - the animals - swarm, creep, fly, swim, and crawl all about us, even sharing our houses and infesting our bodies. We hunt them, breed, them, clothe ourselves with them, and eat them for dinner (as they sometimes do to us). They populate our literature, myths, religions, arts, our language and its metaphors, and they haunt our unconscious fantasies and our dreams.

**A House to Remember**-Edna Gammon 2011-10-10 What happened at 10 Rillington Place was so shocking and gruesome that even today everyone over a certain age still remembers the case with a shudder. In 1950, Timothy Evans was hanged for the violent murder of his baby daughter; he was also assumed to have murdered his wife. Then, less than three years later, another tenant, John Christie, was found to have killed at least six women, hiding their bodies in the garden, under floorboards and in a concealed kitchen alcove. Christie followed Evans to the gallows. It seemed unlikely that two murderers were living at 10 Rillington Place, and the evidence that emerged in the Christie case eventually led to Evans receiving a pardon. But there was also circumstantial evidence that Evans had indeed killed his wife and child. Crime student Edna Gammon firmly believes that Evans was guilty. In *A House To Remember*, she explains why.

The food's not bad either—as *The Irish Pub Cookbook* so deliciously demonstrates. It's a celebration of over 70 pub classics: thick soups and stews; savory tarts and meaty pies; big bowls of salad (times change!); and desserts of the seconds-are-always-appropriate variety. There's shepherd's pie, fish and chips, seafood chowder, and whiskey bread pudding for those with a taste for the quintessential. Contemporary specialties such as Bacon, Blue Cheese, and Courgette Soup; Salmon Cakes with Dill and Wine Sauce; Braised Lambshanks with Red Currants; and White Chocolate Terrine spotlight modern Irish cooking's richly deserved acclaim. Complete with pub photos, history, and lore, nobody leaves hungry when *The Irish Pub Cookbook* is in the kitchen.

**Death Waits in the Dark**-Mark Edward Langley 2020-08-04 It took all of thirty seconds for two shots to bring the world of Margaret Tabaaha crashing down around her. After losing her husband in Afghanistan during the first year of Operation Enduring Freedom, her two sons were all she had left. Now they had been taken from her violently, deliberately, plunging her into a whiskey bottle and stripping away her reason for living. When Arthur Nakai receives a call from his first love, Margaret, her voice pleading for his help, it comes as he is attending a wake for one of the men he considered a brother from his days in the Marines 6th LAR Wolf Pack Battalion. Feeling a deep and responsible obligation to help her, Arthur soon finds himself involved in the multi-billion-dollar world of the oil and gas industry and coming face-to-face with an old adversary, Elias Dayton. Their paths had crossed when Arthur was a member of the Shadow Wolves, an elite tactical unit within US Customs and Border Protection. Now Dayton runs Patriot Security, a Blackwater-type firm that keeps the oil rigs, gas wells, and man camps secure from the Water Protectors, protesters pushing to stop the fracking and poisoning of Native lands. As Arthur works through the case from his end, Navajo police chief Jake Bilagody tackles it from another angle, looking into the strained relationship between the oil company and the Navajo people, all while searching for a missing Navajo man that may have become an unwilling piece on the reservation checkerboard. But when Arthur learns the identity of the boys’ killer, he struggles to make sense of it. Because if the clues are right, he will be forced to make a decision that will haunt him for the rest of his life.
